

Score with these NEW Incredible Products from Antiwave

“Senior FlipFloat”

A full-size competition floating polo goal, with folding features. Folding is easy. Disconnect the two nylon rear struts from their sockets and the goal folds back on itself. Easy to carry, easy to store, and a great value for the money.

The “Senior FlipFloat” folds down flat for storage.

Premium Polo Balls

We are pleased to introduce a line of premium-quality polo balls at an attractive price. These balls have been tried and tested, and have been well received by coaches and players alike.

Men's: 8.6” diameter, 16 oz weight. Green with yellow segments.

Women's: 8.5” diameter, 14 oz weight. Either blue with yellow segments, or rose with beige inserts.

Junior: 7.3” diameter, 12 oz weight. Red with yellow inserts.

High visibility colors: makes it easy to see!
